Attention: Ms. Abbot Stevenson

Dear Ms. Abbot Stevenson:

We are in receipt of the attached preliminary compliance report dated July 21, 2009 concerning Outfall 017 for June 2009.

AEC was out of compliance on fecal coliform. Our allowable limit is 1000/2000, while 2200 was reported. We have not found anything that would cause a high value.

AEC has cleaned this system the week of July 20th. The sample was also checked for the month of July and was in compliance.

If you have any questions or need additional information please feel free to contact me at your convenience.

Sincerely,

Dennis B. Dubiel 7/29/09
